

A huge part of our mission success in connecting our community to local Oregon farmers has been the amazing support of local businesses. Your sponsorship of the Woodstock Farmers Market helps ensure another successful year of this inclusive, family-friendly gathering place where everyone has access to fresh fruits and vegetables while supporting small farmers and the local food economy.

Our board members will customize marketing exposure to meet your sponsorship contribution, including logos at the market, social media posts, and more. For more information, contact us at: [info@woodstockmarketpdx.com](mailto:info@woodstockmarketpdx.com).

Thank you for helping the Woodstock Farmers Market continue to be a vital resource for fresh, healthy food for everyone.

*All sponsorship donations and logos are due by April 16th, 2023 in order to be eligible for inclusion on advertising materials.*

We believe good food should be accessible to everyone. The number of families using EBT and benefiting from the SNAP Matching program at our market to purchase healthy fruits and vegetables from our local farmers has increased 33% since last year. Your sponsorship helps the Woodstock Farmers Market continue to extend SNAP shoppers' purchasing power and directly supports the financial health of our local farming community.

## WOODSTOCK FARMERS MARKET

**Sundays from 10 to 2**
